Import of coking coal

3395. SHRI PARAG CHALIHA: Will the Minister of COAL be pleased to state:

(a) whether Government propose to import seven million tonnes of coking coal during 1996-97 to meet the demand of the power plants in the country;

(b) if so, the estimated cost involved to terms of foreign exchange; and

(c) the extent to which the imports are likely to bridge gap between demand and supply of coking coal?

THE MINISTER OF STATE OF THE MINISRTY OF COAL (SHRIMATI KANTI SINGH): (a) and (b) Coal based thermal power plants use only non-coking coal and do not need coking coal. Imports of coal are not made by the Government. Such imports of coal, if any, are made by the consumers themselves, considering their needs and exercising their own commercial judgement.

(c) Coking coal is imported by the steel plants to bridge the gap betwen demand and availability of indigenous coking coal and also for the purpose of blending with indigenous coal on quality consideration. It has been estimated by the Planning Commission that around 9 million tonnes of coking coal may be imported into the country in 1996-97
